

The 5ths went behind 5 minutes into the game after not defending well from a corner which was the start of strange match. We managed to draw level after Erkan Fadi was fouled on the edge of the area; from the resulting free-kick Jordan Morris blasted the ball into the back of the net before the keeper could move.

After a defensive mix up we were 2-1 down, up stepped Stephen Clarke-Johnston to score the first of his four goals. Latching on to an excellent through ball from Jody Jeffrey, Stephen outpaced the flat footed defence and slotted the ball past the keeper with confidence and panache.

We then some how managed to concede another penalty our 3rd in a row after one of our players was adjudged to have pushed one of the opposition in the back, 3-2. The 5th sparked into life and started to push forward and the pressure was building. Once again Jody Jeffrey was the architect with a majestic through ball which sliced open the defence Stephen was on to the ball in a flash and blasted the ball into the back of the net to make it 3-3.

The opposition were dropping deeper into their half as the 5th were working hard to gain the lead for the first time in the game. We took the lead after Matt Witney won the ball back with a bone crunching tackle then laid the ball out to the right to Harley (Lennon) Moore, leaving two defenders in his trail Harley raced to the by-line and fired in a low fast cross leaving Stephen a simple finish. 3-4

With our noses in front we knew if scored another goal the game was over, Erkan Fadi was unlucky after leaving a defender twisted inside out, skipping around the keeper to pass the ball into the empty net from a tight angle only for another defender to clear the ball of

the line. The ball
was still in play and bounced to Owen Scott who was
forward from left
back, Owen fooled the defence into thinking he was
going to shoot and
dinked the ball over the top of defence in to the
path of Stephen Clarke
Johnston to score his 4th of the game. 3-5

Man of the Match Stephen Clarke-Johnston with four
goals.
